

ADVANCED MANUFACTURING 2026 SYMPOSIUM

Join the Regional Advanced Manufacturing Partnership of Maryland (RAMP MD) for our 2026 Symposium

From Prototype to Production

Keynote Speaker Jay Lee, Ph.D.

Clark Distinguished Professor and Director of the Industrial AI Center, University of Maryland College Park

This symposium will focus on the transformative journey from prototypes to scalable solutions, including how AI is changing the landscape. Planned topics include:

- The Talent Pipeline
- High-Impact Decision Systems: Bridging Professional Services and Advanced Manufacturing
- Advances in Design Optimization Using CAD Tools
- From Assembly Lines to Airspace: Drones Powering Adaptive Manufacturing
- Decision Frameworks for Manufacturing Technology Selection
- Robotics-Driven Automation in Industrial Production

Details

Date: Wednesday,
October 7, 2026

Time: 8 a.m. to 4:30 p.m.
Lunch provided, networking
hour following event

Location: Towson University
Northeastern Maryland (TUNE)
510 Thomas Run Road
Bel Air, MD 21015
